FOREWORD

Probably no other group has contributed so richly to the early American Folk Arts, as the Pennsylvania Dutch. Their love of ornamentation was reflected in their daily lives. Furniture, chests and various utensils were home made and decorated with gaily painted birds, flowers, angels and other characteristic designs.

Throughout this book, the Art Editor has tried to catch the spirit and charm of their designs and portray some of the picturesque customs still to be found in the Pennsylvania Dutch Country.

In Memoriam

DEDICATION

To our former sponsor, P. F. C. Clarence Willitts now serving with the United States Army in Japan we, the class of 1950, dedicate this our class annual.

Mr. Willitts, a loyal and true friend of the members of the class, participated in all our activities with interest and enthusiasm. During the time he spent with us he contributed innumerable services without thought of gain.

We continue to share and shall always remember his interest, humor, and good nature as expressed in his many letters to us.

Administration

JOSEPH M. FINK, *Supervising Principal*

TO THE ADMINISTRATION:

Down through the years, as we look back on our school days we will remember above all those who guided us—those who extended a helping hand when we were in need of assistance. We will remember those who influenced us in choosing the right road and those who helped to mold our destiny.

High school has been a wonderful experience. It has left a lasting impression on each and every one of us. It has taught us the meaning of integrity, sincerity, and teamwork.

To all our faculty who helped us to reach our goal, and especially to our principal, Mr. Fink, the Class of 1950 extend their very best regards.

SCHOOL BOARD

The guiding body of Bridgeton-Nockamixon High School is its School Board, which is composed of ten members. The members meet monthly and on other dates as may from time to time be fixed by the Board.

Although the members of the Board remain quietly in the background, their untiring efforts are always directed toward the building of a greater Nockamixon; and we of Nockamixon are deeply grateful for such competent leadership and cooperation as is exhibited by our School Board.

SENIOR SOCIALS

Halloween Dance

October 27.

The first dance of the school year and a huge success! Everyone who attended will remember how crowded it was and the fun that was had. Willis Meyers and his Bar X Ranch Boys provided music for the affair and the seniors provided the refreshments.

Senior Play

December 2 and 3

After last year's wonderful performance, we picked another winner for our Senior year. "Early To Bed—Early To Rise," an amusing comedy in three acts was about the Fuller family and the troubles Patsy brings home when she turns the house into a pet shop. Violet, her pet skunk, and Hamlet, the white rat played important roles.

Mrs. LeWorthy and Miss Steeb directed the show which proved to be a memorable event of our Senior year.

St. Valentine's Dance

February 14.

To highlight the winter months we sponsored a sweetheart's dance. Again we boasted of a large crowd. The cafeteria was decorated to perfection with huge hearts hanging on the walls and red and white crepe paper adorning the rafters.

The entire class donated all their time and efforts to make our last dance of the season one that we can look back to with pride and satisfaction.

Roller Skating Party

March 16.

Ouch! Another roller skating party for the benefit of the library, and are we banged up! It's hard to believe but all the aches and bumps didn't spoil our fun.

Those Days

May 17

Well, the year's almost over and our class night program has to be completed soon. We're looking forward to the big event of the year—the trip to Washington—getting ready to see a lot of new places and things. But now—enough of this dreaming, where did we put that class night program? ? ?

N'tschutti Staff

Consisting of a diligent group of seven Seniors and a faculty member, the yearbook staff has worked constantly throughout the year in order to complete the annual N'tschutti which has grown to be a tradition of N. H. S. since its first publication in 1944.

We may be justly proud of our efforts, for in compiling this book, not only have we recaptured many memories of our happy school days, but we have also made a lasting record which will prove to be of great value to anyone in possession of the 1950 N'tschutti.

JUNIOR ACTIVITIES

Thanksgiving Dance

November 17.

Our first school social! Decorations of brown, red, and yellow adorned the school cafeteria and a vivacious croud gathered on the dance floor to swing and sway to the music of the "Rhythmaires." The class provided and served refreshments for the hungry groups. All in all it was a great success and a memorable evening for the class of '51'.

Junior Play

March 31 - April 1.

To top off our Junior year at N. H. S. we presented a play called "Almost Summer". Miss Harding and Miss Steeb did an excellent job of directing and Mr. DeSilver arranged the musical entertainment between acts.

The star of the play is a young high school lad who has his ups and downs trying to better his marks in history so he can enter the university. There is a choice of summer school or getting a 95 which is practically impossible for him. Complications and misunderstandings set in to make the play most entertaining.

Down Memory Lane . . .

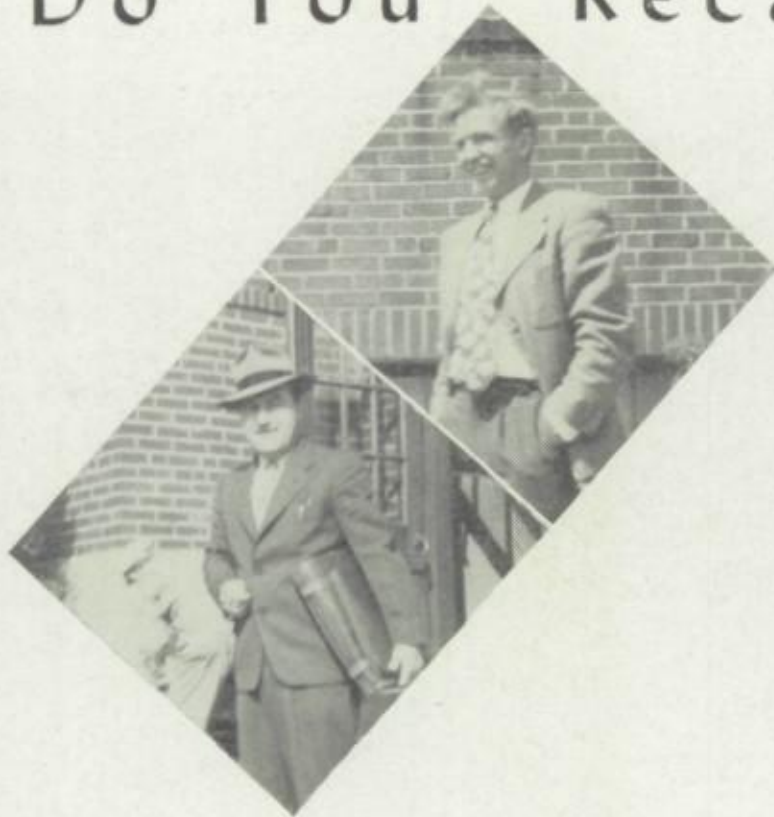

From unsuspecting Freshman to confident Seniors in four short years, we have laid a foundation in education and our friendship is the pillar balancing the edifice of progress.

The happy days we spent together at school will always be a most cherished memory. So, remembering the past and facing the future, may we establish our ideals and fulfill them to the best of our abilities.

May these last four years be firm stepping stones toward a brighter future for all of us.

Do You Recall...

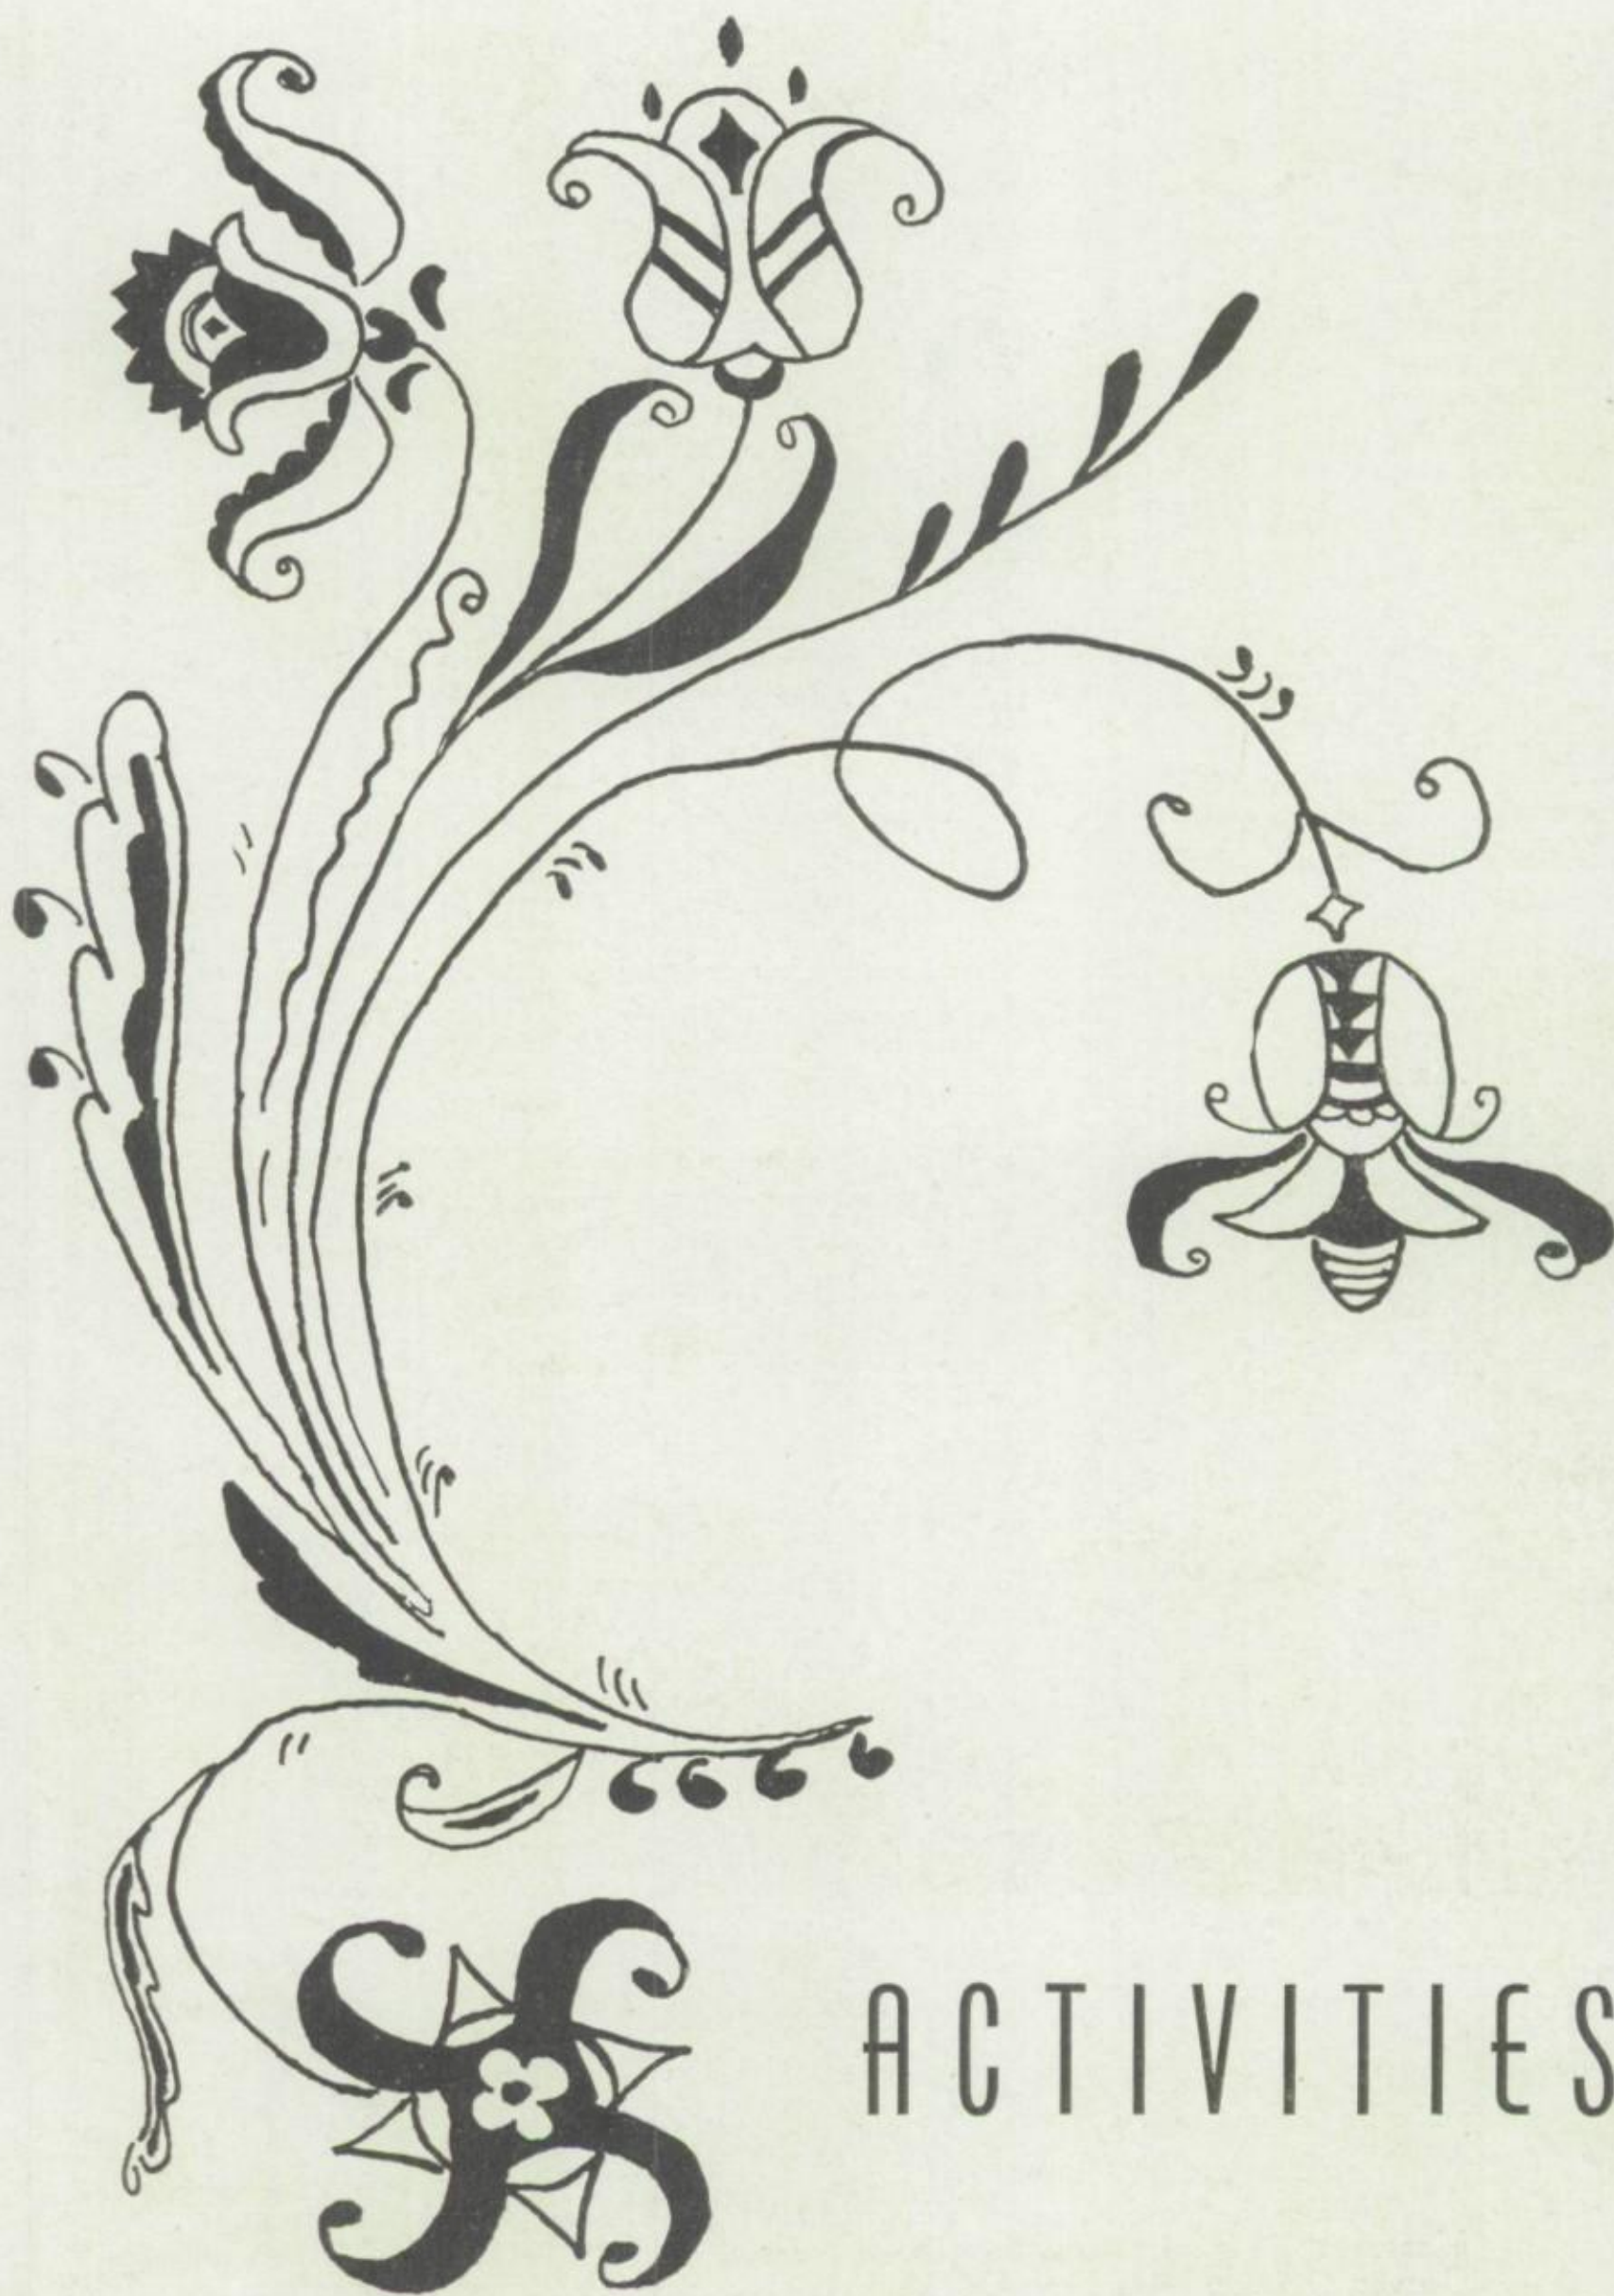

the fun we had
AT OUR CLASS PARTIES?
When the sun was bright
And the water just right.
PRODUCING "LET 'ER GO, GALLAGHER"?
A play that really was a wow,
Everyone loved it, and how!
ROLLER SKATING?
'Round and around we'd go
Waltzing when lights were low.
ON OUR CLASS TRIP AT WASHINGTON, D.C.?
Everything was perfect and grand,
With each and every Senior on hand.
DOING LESSONS IN STUDY?
Work, work, and still more work;
From our lessons we'd never shirk.
WITH OUR TEACHERS?
Friendly, helpful, sincere, and kind,
Always keep them in mind.
WITH ALL OUR FRIENDS?
Above all, remember these
Down through the years.

ACTIVITIES

STUDENT COUNCIL

The Student Council is one of the most important organizations in any high school. Its purpose is to bring about a better understanding of problems that confront the students. The student council has been very active in Nockamixon High. Officers are as follows:

President, Helen Antoni; Vice-President, Alice Moninghoff; Secretary, Alice Haney; Treasurer, Darlene Whitman; Representatives, Patsy Rufe, Fred Troutt; Alternates, Betty Conrad, Arlene Schiabe, Charles Usner, Alfred Michener.

SAFETY PATROL

Safety Patrol is synonymous with efficiency and good natured but firm direction.

Bridgeton-Nockamixon greatly appreciated the work which its Safety Patrol has done under the capable leadership of Mrs. Schaffer.

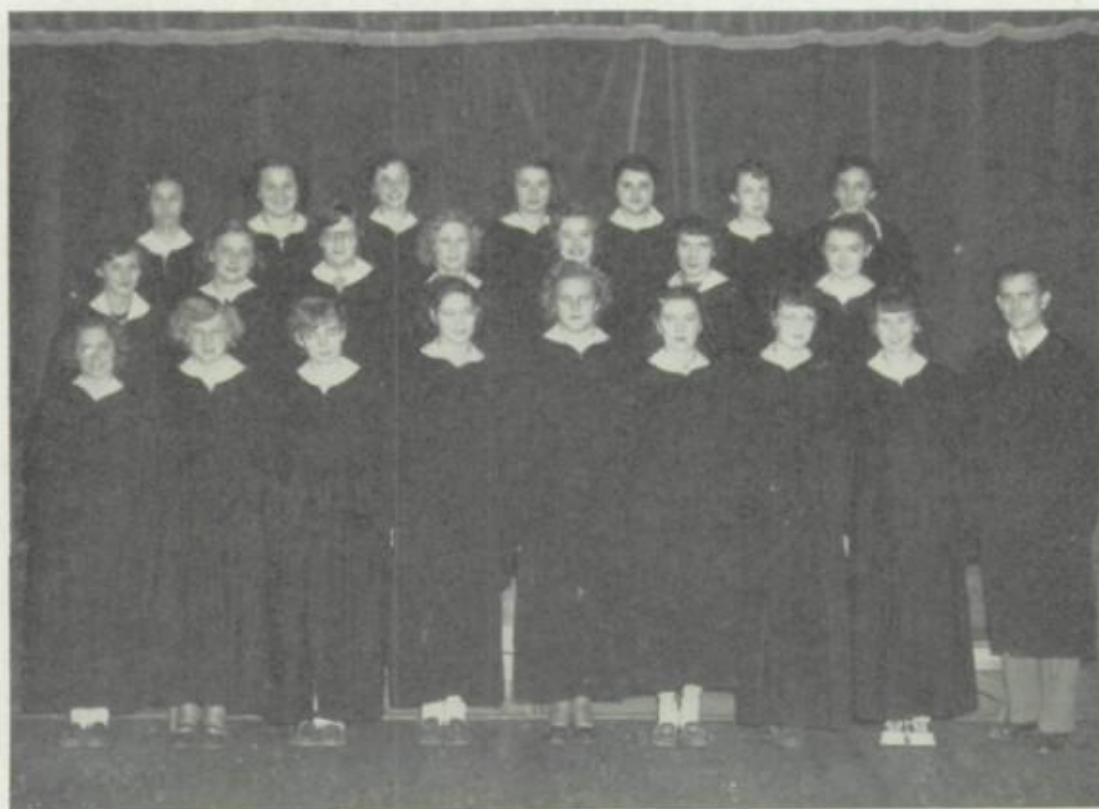

Members are as follows:

Vivian Opdycke, Captain; John Blair, Lieutenant; Carole Litzenberger, Margaret Hippauf, Ruth McGrew, Joanne Kline, Theresa Eccher, Harold Gruver, Norman Lutz, Edward Phillips, Betty Pursell, and Peggy Houseworth.

NEWS REEL

The publishing and distribution of the Newsreel is a much awaited event at N. H. S. Besides the regular publication, something new has been added—a mimeographed sheet of games, puzzles, humour, and poetry. Mrs. LeWorthy's able supervision has indeed enriched the club.

GLEE CLUB

With Mr. John DeSilver as director, the glee club has grown by leaps and bounds to its present proportions and to the delight and plaudits of all. At Christmas the club had a beautiful choral program, in the true spirit of the season. An operetta is planned for spring.

HANDICRAFT CLUB

The handicraft club, under the excellent guidance of Miss Foellner completed many novel articles, and several really beautiful pieces this year, including some woven belts and clay objects.

GIRL'S GAME CLUB

Mrs. Schaeffer, as sponsor of the Girl's Game Club, has begun a girls' basketball team. The club spent many pleasant hours dancing during the inclement winter weather, and in spring embarked on their annual softball training.

FUTURE FARMERS OF AMERICA

The F. F. A. club is an integral part of the vocational agriculture course. It is an organization of high school boys who wish to improve their social and farm business relationships through group activities. The local chapter is affiliated with county, state and national organizations which function to set up practices and goals from time to time.

TYPING CLUB

Members of the academic or other curriculum groups who have not had the opportunity of studying typing, may join this club. Many have taken advantage of the facilities of the club and great progress has been made. Typing is a help and a time-saver for any student or worker in any field.

BOYS' ATHLETIC CLUB

The Athletic Club, sponsored by Earl A. Smith, is a club in which outdoor games are played in fair weather. The club pays dues and with the money collected, they have purchased all kinds of indoor games. They are planning to purchase wood in order to build ping-pong tables.

BOYS' CHORUS

This group, under the direction of Mr. DeSilver, has proven to be an added asset to school activities this year. The boys have shown their talent by giving a wonderful performance at the annual Christmas pageant and the spring operetta.

Cafeteria

Few realize what a fine cafeteria we have. The three cooks, Mrs. Morris, Mrs. Hager and Mrs. Bruch do a grand job in preparing meals for the entire student body.

Our cafeteria is used for many things other than eating. We push back the tables for a makeshift dance floor in health classes. In club periods, we use the room for different activities. Then, for large social affairs we move the tables completely, and decorate with appropriate colored crepe paper.

Soccer

This year, soccer was once again, a big sport at Nockamixon. The team was organized early in the fall by coach Smith.

Led by the outstanding right end, Captain Joe Guttman, the boys made a record of two wins, two losses, and one tie. It was one of the best seasons in recent years.

Due to graduation, such outstanding players as Harold Shick, Bill Breiner, Henry Heller, George Heller, Ed Krizan, Paul Kuphal, and Captain Guttman, will be lost to next year's team, but coach Smith has been planning to fill the ranks with a fine group of youngsters, who will be ready for next year's team.

Team members are as follows:

Cameron	Shick
Krizan	W. Somp
Heller	Moninghoff
Guttman	Foellner
Gruver	Blair
Kuphal	Hoppe
R. Somp	Breiner

Baseball

The baseball season at Nockamixon shows excellent promise this year. The rookies, combined with the veterans, should form a strong team.

In addition to the good playing the boys have exhibited, a fine spirit exists among the squad that will bring credit to our school in victory or defeat.

 Richard Fair, *Manager*

Boys' Basketball

With the end of a successful soccer season, the basketball team was immediately rounded into shape.

As in the past, the absence of a gym in which to practice was a big handicap.

The only victory was against the Alumni, but the team rated very high in spirit and clean playing. High scoring honors, once again, went to Captain Paul Kuphal.

All members of the team displayed great team-work and fair play during each game. These factors make the boys outstanding on any field.

The Scores

	NHS	Opponents

 Marion Heyer
 Lorriane Herstine
 Theresa Eccher
 Kathryn Sweeney
 Joanne Kline
 Eleanor Hippauf
 Esther Melchor

Girl's Basketball

Among the new sports added to Nockamixon's athletic scene this year, girls' basketball made an appearance to play an abbreviated pick-up schedule with teams in this area.

The team was managed and coached by Mrs. Schaffer. Among the stand-outs who shone in the few games against opponents of our size were Vivian Opdycke, Betty Pursell, and Eleanor Hippauf.

Both the team and coach deserve a "well done" on their season, played with few practice sessions on an outdoor court. Each game brought out new surprises and plenty of action for all who witnessed the games.

With many of the girls coming back next year to display their skills anew, the cheers will ring out once more—"Swish—It's another basket for Nockamixon!"

Team members are as follows:

Vivian Opdycke, *Captain*
Joyce McCollick
Marie Moninghoff
Mary Lutz
Betty Pursell
Margaret Hippauf
Marie Durnan
Arlene Schiable
Eleanor Hippauf
Marion Heyer
Gladys Singley
Esther Melchor
Peggy Sciss
Darlene Whitman

Bases Loaded

The girl's softball team will swing into action on April 12, when they meet the Springfield team on Nockamixon's home field. There are only a few veteran players on this year's team.

With the intention of organizing a winning team, the girls, coached by Mrs. Schaffer, began practice as early as weather conditions permitted.

The season's schedule has not yet been completed, however, the teams usually played are Springfield, Hilltown and Holmquist.

Scheduled practices are held at the field where sunshine and fresh air do much to foster energy and good playing.

Volley-Ball Intramurals

Although the girls did not play games with other schools this year, they have played between classes.

The first of the three championship games was between the Freshman and Sophomore classes. The Sophomores won the battle.

The second game was between the Junior and Senior girls, where the Seniors claimed the victory.

The deciding game followed. A fight to the finish, Sophomores vs. Seniors! Once more, the Seniors boasted a victory, announcing that they were champions of the tournament.

Outstanding players on the Senior team were: Joyce McCollick, Betty Conrad, Mary Lutz, Betty Pursell, Helen Antoni, and Marie Moninghoff.
